

HikCentral Lite V1.0.1

Compatibility List of Hikvision and Third-Party Devices

Before You Start

Please read the following contents in this section carefully before looking up the target device models in this document.

About This Document

HikCentral Lite supports a wide range of cameras, NVRs, access control devices, video intercom devices, etc. To find cameras and devices that are supported by HikCentral Lite, refer to the contents in this document and search for the models you want.

The information in the list is provided by HIKVISION for general reference, absolutely without warranty and at the user's own risk. Users are strongly encouraged to validate their final device choice. HikCentral Lite provides different licenses with different functions. When reviewing device support and compatibility, please take note of the license type.

If you want to learn about the supported functions of the newly compatible devices in the new HikCentral Lite, please refer to the Release Notes document for details. Please refer to the User Manual for more detailed instructions about these functions.
